

The Mineral County Medical Foundation welcomes dynamic speaker, Dr Hal Stearns, from the University of Montana's Lifelong Learning Institute and Humanities Montana.

This isn't your typical history lesson! Dr Stearns will take us on an exciting, guided tour of the history of small, rural towns in Montana. He will help us understand the small places that are a big part of the Montana story.

Saturday, May 12, 2018 at 2 pm

Superior High School Multi-Purpose Room

**Tickets are \$15 per person or \$25 for a couple, and
can be purchased at Mineral Community Hospital
