## GIVING SPIRIT SHINES THROUGH AT RELAY FOR LIFE EVENT

The Color Purple. That's the best way to describe Superior on Friday, June 24.

The Relay for Life event kicked off with the Survivors Reception at 5:30 pm, followed by teams getting together to walk the track until midnight.

MCH hosted the silent auction, which raised quite a bit of money. In all, the MCH team raised \$6,018! Overall, \$20,076.925 was raised county-wide. That's not bad for this tiny little town!

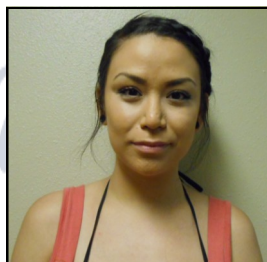

The hospital would like to thank Jenifer Mitchell and her team: Chrissy Bowen, Eva Heintz, Kim Gordon, Nerissa Wilton, Gayla Rice,

Gail McGuinness and Cathy Jones, for their hard work and dedication to this very worthy cause.

Jenifer would like to thank the employees of the hospital for all the support that the team received.

**Welcome**  
TO THE TEAM

## ANNUAL PROGRAM REVIEW HAS BEEN COMPLETED

Each year Mineral Community Hospital is required to prepare an Annual Program Review. This is a departmental summary of their accomplishments and goals. The supervisors provided excellent reports this year. If you would like to take a look at the Annual Program Review, please contact Mitzi at 822-3713.

# Foundation Hosts Summer Event

MCH employee, Angie Mellen, won a pair of tickets to attend the Foundation's Singing Sons of Beaches Dinner Concert. She provides this report:

Last Saturday evening the Mineral County Medical Foundation put on its annual dinner concert in St. Regis at the community center. The night began with drinks and dinner: chicken, potato salad and coleslaw. A beautiful dessert table was offered off to the end with some delightful yummy looking items.

I chose cute cupcakes that depicted a beach scene with a graham teddy on a blanket under an umbrella with a coconut drink and flip flops. Rumor has it these could have been made by our own CEO's wife and daughter.

This year's entertainment was the great Singing Sons of Beaches, a trio of men who perform a musical-comedy

show that will leave most in stitches. They kicked off with the "Colorectal Surgeon Song", then went into a parody of political songs. They really got the party moving when they sang a Hawaiian song and Roger Brown, President of the Foundation, performed a hula dance dressed in grass shirt and all! It was a sight few would believe. (Mitzi has an incriminating video if you'd like to see it!) All in all it was a wonderful evening filled with laughter, food and friends.

## Hiking for Health

Did you know there are 57 lakes in Mineral County? Would you like to see some of them? Here's your chance to get a guided tour!

Local, life-long Mineral County resident, Jim Cyr, has hiked into all 57 mountain lakes numerous times and will be our guide to share the history of the area.

The next hike will be on Saturday, July 9, from Hoodoo Pass to Heart Lake.

This is a 1-way hike, so shuttles will be needed to bring hikers back to the starting point. This is a 6-7 mile hike.

**ALL HIKERS GATHER AT MOUNTAIN VIEW VILLAGE NEXT TO MINERAL COMMUNITY HOSPITAL AT 8:00 AM.**

(Questions? Contact Monte Turner 822-5122.)
