Daily Schedule

Level 1: 9am-Noon

Learn how to turn on and begin using a computer. Get accustomed with Microsoft Windows 10 and how items are organized. Discover how to access programs, folders, drives and more. Plus, gain experience using the mouse and keyboard. Then we'll go online and learn how to use Internet Explorer.

Level 2: 1-4pm

Learn what it takes to work in Windows 10 efficiently. Discover how to create folders to store and organize your files and photos. See how to easily move and copy photos. Plus tips on using Internet, email, and social media (like Facebook) to communicate.

We provide training computers.

Register today! Call **541-5000**
